Sir,

I have the honor to state that the Vice President sent his travelling allowance bill for journey performed to Bangalore on public duty during the month of April 1903. The bill was duly countersigned and submitted to Government for sanction. The Government in their order no 9 V A. 101-2 dated 28th July 190 sanctioned the same and sent the bill on to the Comptroller for audit. The

The Comptroller who had allowed the double first class fare on previous occasions, passed only double one and half fare; and when asked to inform the circumstances under which retrenchment was made, he has addressed the enclosed Communication to the Vice President.

Under Section 522 of the Mysore Service Regulations, an officer is entitled to draw double first class fare and until this Section is modified, an officer can claim this amount. The Comptroller says in the enclosed docket that the subject is pending before Government; and before final orders are passed, he has made the retrenchment, which is still under the consideration of Government. I enclose a Supplemental bill for the disallowed amount
